

*U.S. Consumer Product Safety Commission – Fast Track Recall with
Canada*

Recall Date: January 23, 2020

Recall Number: 20-058

PCNA Recalls Power Banks Due to Fire and Burn Hazards

Recall Summary

Name of Product: Spare 10,000 mAh Power Banks

Hazard: The power bank's lithium-ion battery can overheat and ignite, posing fire and burn hazards.

Remedy: Dispose

Consumers should immediately unplug and stop using the recalled power banks and dispose of the recalled power banks by following local laws for disposal of lithium-ion batteries.

Consumer Contact:

PCNA at 800-860-1555, from 8 a.m. to 9 p.m. ET Monday through Friday, email at CustomerService@leedsworld.com or visit www.pcna.com and click on the "Recalls" link at the bottom of the page for more information.

This recall was conducted voluntarily by the company under CPSC's Fast Track Recall process. Fast Track recalls are initiated by firms, who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.

About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.
