A Message To Our Distributor Partners

As we begin the new year, we continue to experience increased demand for decorated apparel. As such, we want to provide an update:

- For Trimark, new orders with embroidery will ship no sooner than Jan. 21.
- For new Trimark orders with HXD, transfer, laser or inFusion, standard lead times are in effect. SureShip® and expedited three-day turn are available for those Trimark orders, as well.
- As a reminder, Leed's and Bullet are fully operational, with standard lead times for all decoration methods. SureShip® and expedited three-day turn are available, as well.

We hope providing this information now will help you plan during the next few weeks. We appreciate your patience and understanding, and look forward to supporting your business in 2021.

- The PCNA Team
