

HXD IMAGE GALLERY

Give Your Brand A Whole New Dimension

HXD offers all new possibilities for your logo. Available exclusively from PCNA in the United States and Canada, its exceptional detail and subtle elevation from the surface can be enhanced with a variety of unique finishes.

Get inspired. Our gallery of HXD looks offers a closer look at how HXD can give your brand a whole new dimension.

STANDARD FINISH Get high-definition print in any colour.

Add a vivid pop of colour and dimension to the front pocket of a backpack.

Add a high-resolution photographic image to strengthen your brand identity.

Add branding elements within the body of your logo.

Create a textured bug logo for a striking presence on an upper chest pocket or sleeve.

Create a subtle tone-on-tone look by matching your logo to the colour of the fabric.

SPECIALTY FINISH Replace an existing colour with gold, silver or chrome.

Combine texture and specialty colours for a truly one-of-a-kind treatment.

A specialty colour like chrome creates high-end appeal on a black backpack.

Use an industry-specific specialty pattern like camo to strengthen your brand.

Create a retail look with small icons in a secondary location.
